This is a fantastic experience to be part of a team and meet over 1000 other Jewish teens! Each athlete will stay with 2 or 3 of your teammates at a host family from the Rockland area for the week. Tournament style games will be played during the day and at night there will be evening social events. Days of Caring and Sharing Mitzvah activities will happen during the week. Opening Ceremonies on Sunday, August 12th will have a parade of athletes (we are usually the first delegation announced), Munich 11 Tribute, and so much more! Informational meeting will be held during winter of 2012.
