

Summer, 2020

Dear Friend of Jewish Culture and Arts,

Reflecting on the past year, we are extremely proud of the wonderful programming we were able to offer, not only in person at the JCC, but also virtually: A new robust Jewish program was created in order to provide entertaining, educational, inspiring, and meaningful Jewish-themed offerings electronically since March of this year.

We were able to show six award-winning films at our highly acclaimed film festival at the JCC and two screenings virtually, along with very interesting discussions following the films. In addition, we are offering a virtual summer supplement to our Jewish Film Festival, with interactive zoom discussions, led by experts in the field.

We celebrated and commemorated Jewish holidays, offering activities for all ages for free or for a low fee. We also held book reviews, written by Jewish authors, among other cultural programs including many art exhibits.

The 2020-2021 season will include signature programs such as the Jewish Film Festival, the Holiday Celebration Series and Jewish-oriented educational programs. We will continue to provide these excellent offerings either at the JCC, or electronically, as appropriate. The success of these high-quality programs depends on your continued support.

Your generous contribution is greatly appreciated and will go directly to continuing these programs. Please complete and return the attached form with your check or credit card information so that we may include your name in upcoming announcements for this year's events and programs. We look forward to seeing you in person or virtually this coming season!
